

Call for Applications

California Walk and Bike Technical Advisory Committee

The California Department of Transportation (Caltrans) invites applications for the new California Walk and Bike Technical Advisory Committee (CWBTAC). The CWBTAC will advise Caltrans staff on technical issues related to implementation of the Statewide Bicycle and Pedestrian Plan: Toward an Active California, as well as the Caltrans Strategic Management Plan. Both of these plans demonstrate a commitment to planning, designing, delivering, and maintaining walk and bike programs, and facilities for all ages and abilities, with an emphasis on disadvantaged communities. The CWBTAC will also provide technical input to the Active Transportation and Livable Communities Committee, which serves as a policy advisory committee to Caltrans on active transportation.

Partner agency staff and professional advocates with experience in planning, designing, and delivering active transportation programs, and facilities are invited to apply. Caltrans seeks applicants for a limited number (12–20) of committee seats but aims to have diverse membership representing: north, south, and central geographies; urban, suburban, and rural community types, including disadvantaged communities; as well as the needs and interests of users of all ages and abilities. Individual membership terms may be limited in order to bring new ideas and perspectives into the committee.

Caltrans aims to establish the CWBTAC by August 2018, and to convene the committee 4–6 times annually. Members will be encouraged to attend meetings in person at Caltrans Headquarters, 1120 N Street, Sacramento; however, an option to participate remotely will also be provided. Travel expenses will not be reimbursed.

Please submit an application to serve on the CWBTAC, by answering the following questions, and emailing your completed application to: Jeanie.ward-waller@dot.ca.gov.

Deadline for applications–May 31, 2018

- Name:
- Title:
- Agency/Organization:
- City/County:
- Identify the community type(s) you represent:
